This is a wonderful little book; perfect for gift-givingBy LSHThis is a precious little book with beautiful photos of the paintings of Thomas Kinkade and wonderful inspirational words.Perfect to unwind after a hectic day and a wonderful gift.0 of 0 people found the following review helpful. Not pleasedBy jsc1863My book arrived. It's in good condition except for the writing on the inside 1st page. This was a gift and now I'll just keep it for myself. I don't think a book should be resold if there is any writing at all in the book. The other 2 books had a couple very small ink marks on them but, not enough to complain about.

"Give yourself a perk. Condition yourself for joy by doing little things that you love on a regular basis." Thomas Kinkade is America's most collected living artist. Each of the tranquil, light-infused paintings he creates is a quiet messenger, affirming the basic values of family, home, faith, and the luminous beauty of nature. Thomas Kinkade's paintings and his own words, as well as the words of Shakespeare, Keats, Wordsworth, and others, create a breathtaking gift book that is a jubilant celebration of beauty and joy. Kinkade points out that sources of joy can be found everywhere in the simple gifts life presents, such as the handshake of a friend, the caress of a warm breeze, or the sights and sounds of creation. He reminds readers that "Once you begin looking, you may be surprised to discover just how much joy your world has to offer."Copyright 2005 Thomas Kinkade, The Thomas Kinkade Company, Inc.,
