This photographic collection captures Jimmy Choo, the lovable bull terrier, as he is thrown into a pure white world with scenarios ranging from dangling over Pride Rock in Lion King to taking E.T.'s place on the bike with Elliott, these images were meant to put a smile on your face. Mantesso's creativity knows no bounds while imagining his best pal in different situations. The touching prologue also provides a glimpse into how when life might throw you a mentally challenging curveball, you can overcome it with unconditional love and humor. This is a book you will want to add to your collection, and also to have as a coffee table book for your company to browse through.5 of 5 people found the following review helpful. Yay for Bullies!By Jamie SullivanWE LOVE JIMMY AND RAFAEL!!! First of all, I am a little biased. We do have a bull terrier, who we adore. Jimmy is so adorable and Raphael Mantesso is very creative. I have followed him on instagram for quite some time. This is a great book for our son to look at the pictures. And we love our bully so this is a great coffee table book to show our friends when they come over. Rafael has a great story about how this project and art came to be. A definite must-buy for all dog lovers!7 of 7 people found the following review helpful. Must have for dog loversBy Daniel Ott WrightThis book is a must have for any dog lover. 100 new and classic images of popular Instagram celebrity Jimmy Choo the Bull TerrierOn Rafael Mantesso's thirtieth

birthday, his wife left him. She took their cookware, their furniture, their photos, their decorations. She left Rafael alone in an empty all-white apartment. The only thing she didn't take was their bull terrier, whom she'd named after her favorite shoe designer: Jimmy Choo. With only Jimmy for company, Rafael found inspiration in his blank walls and his best friend and started snapping photos of Jimmy Choo as he trotted and cavorted around the house in glee. Then, when Jimmy collapsed in happy exhaustion next to the white wall, on a whim Rafael grabbed a marker and drew a new world around his ginger-eared pup. Suddenly, Rafael felt his long-dormant inspirationdash;for drawing, for art, for lifedash;returning. The result? Hundreds of charming and cheeky images chronicling the owner and dog's relationship and adventures, including poses in a Star Wars stormtrooper helmet, passed out with liquor bottles, and as the shark in Jaws. Mantesso's Instagram feed quickly garnered fans from all over the world and caught the attention of major media outlets like Today, The Huffington Post, USA Today, and the Daily Mail, as well as Jimmy's namesake, the luxury shoe brand Jimmy Choo Ltd. Now, Mantesso presents a definitive selection of new and classic images of Jimmy and includes the backstory of how the two became such great collaborators. As heartwarming as it is hilarious, *A Dog Named Jimmy* will delight animal lovers everywhere. From the Hardcover edition.
