Roger V. Kendall Ph.D. : Building Wellness with DMG: How A Breakthrough Nutrient Gives Cancer, Autism Cardiovascular Patients A Second Chance at Healt before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Wellness with DMG: How A Breakthrough Nutrient Gives Cancer, Autism Cardiovascular Patients A Second Chance at Healt:

3 of 3 people found the following review helpful. DMG KEEPS THE JOY BELLS RINGING!By SHINY

NOSEDMG SPEAKS FOR ITSELF. I TRIED IT AND USE IT EVERYDAY, JOY JOY JOY.1 of 1 people found the following review helpful. DMG a must for me.By Eileen BurnettVery helpfull. Alot a good information. Easy to understand and gives doses of DMG and uses. DMG HAS ALOT OF Benefits.2 of 2 people found the following review helpful. InformativeBy TwinsEasy to read with simple understanding of the importance of DMG. The chapters are divided by conditions, which are hopeful.

DMG is an incredibly important nutrient that has far-reaching effects in the body from better cellular energy to strengthening the immune system. It is key to both the prevention and healing of disease. Building Wellness with DMG tells the amazing story of DMG and how this multi-functioning nutrient has the power to fight disease, ward off secondary infections, give you greater energy and stamina, improve sexual function, decrease epileptic seizures, and enhance brain function. Research suggests that because DMG boosts our cell's most basic functions, it is a vital nutrient to take. The many benefits of DMG include:

- Cardiovascular Disease-Decreases elevated triglyceride and cholesterol levels. Improves circulation, helps the body adapt to stress, decreases homocysteine levels, and promotes glutathione and S-adenosylmethionine (SAMe) synthesis.
- Cancer-DMG has anti-tumor properties, modulates the immune system, and helps protect DNA.
- Diabetes-DMG regulates sugar metabolism, helps the production of hormones like insulin, helps with cataract prevention, and acts as an antioxidant.
- Immune System-Enhances the immune system by acting as an antiviral, antibacterial, and anti-fungal agent.
- Athletic Performance-Increases oxygen utilization, decreases lactic acid formation, and makes energy production more efficient.
- Other Conditions-Research also suggests that DMG is beneficial for autism, neurological disorders, circulatory insufficiencies, epilepsy, liver and kidney disorders, autoimmune disease, addictions, and respiratory disease.
