Every time a celebrity couple breaks up, an angel gets its wings...Admit itmdash;but you're like really a pop-culture junkie, aren't you? And a junkie needs a fix. Am I right? Of course I am. Well, my friends, But You Like Really Dated?! is the perfect remedy. With more dirt than you can find under Lindsay Lohan's fingernails, and enough gossip to make even Joan Rivers blush, this exquisitely designed, epic tome is the ultimate guide to the stars who dated, dumped, hooked up, cheated on, married, divorced, married again, or made a sex tape in the wild world of Hollywood. If you have ever wondered just how many blonde models Leo has shown the town, or how many boy-toys have graced Britney's arm, But You Like Really Dated?! is the only book you'll ever need.Full of hilarious (and hilariously accurate) illustrations of the most notorious members of Hollywood's elite and brimming with sharp commentary about the strange mating habits of celebrities, But You Like Really Dated?! is the brainchild of Ryan Casey, creator of the award-winning webcomic ButYoureLikeReallyPretty.com.So put up your feet, pop open a bottle of your favorite

spirits, and dive into the wild and wacky world of the celebrity dating game.
