Jesse Jacobs : By This Shall You Know Him before purchasing it in order to gage whether or not it would be worth my time, and all praised By This Shall You Know Him:

Artist and illustrator Jesse Jacobs—whose book *Even the Giants* (AdHouse, 2011) marked his major publishing debut after several award-winning, self-published titles—describes his new comic work, *By This Shall You Know Him*, as coming “out of the darkness of oblivion.” Within the book’s confines, Jacobs states that the reader will “bear witness to the limitless ambitions of a gang of celestial beings as they fiddle and fuss with all sorts of molecular arrangements, creating infinitely detailed patterns and strange new worlds brimming with bizarre life forms. Part art-book, part graphic novel, *By This Shall You Know Him* depicts all manner of beast running, crawling and slithering towards death’s cold embrace.” Jesse Jacobs was born in Moncton, New Brunswick, and now draws comics and things from his home in London, Ontario. In 2009, his books *Small Victories* and *Blue Winter* were short listed at the Doug Wright Awards for Canadian Cartooning. He received the Gene Day Award for

Canadian Comic Book Self-Publisher of 2008. His work has been exhibited in galleries across the country.
