**Yuehping Yen : Calligraphy and Power in Contemporary Chinese Society (Anthropology of Asia)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Calligraphy and Power in Contemporary Chinese Society (Anthropology of Asia):

This unusual and interesting book is a fascinating account of the world of Chinese writing. It examines Chinese space

and the political and social use of writing as propaganda, a publicity booster and as a ladder for social climbing.

'This is a very good book. Yen is both insightful in her analysis of the sources and implications of the aura of Chinese writing and careful in her discussions of how people think about characters.' - China Journal
