**Mark Bourrie : Canada's Parliament Buildings** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Canada's Parliament Buildings:

Behind the scenes of Parliament Hill: examining the architecture, heraldry, and history of the buildings.

Three beautiful gothic buildings loom over the Ottawa River just below the historic Chaudiere Falls. They are the seat

of Canada's federal government, visited by thousands of people each year. Canada's Parliament Buildings, filled with heraldry and history, instill pride in our country and give visitors a deep sense of being Canadian. Constructed in controversy, and steeped in decades of political lore, the Parliament Buildings have been the stage for the evolution of Canada from a small colony to one of the great nations of the world. This fascinating book takes you behind the scenes of Parliament Hill, examines the architecture, heraldry, and history of the buildings, and gives readers an understanding of the important role of Parliament in our society. Profusely illustrated with contemporary and historic photographs, this beautiful book belongs on the shelf of everyone who has toured the Parliament Buildings. It will also appeal to those interested in Canadian history and politics.

**From the Inside Flap** Behind the scenes of Parliament Hill: examining the architecture, heraldry, and history of the buildings.

**About the Author** Mark Bourrie, a member of the Parliamentary Press Gallery, has written articles for Canada's largest daily newspapers and magazines. He is the author of *Chicago and the North*, a history of Canadian Pacific passenger ships, and *Ninety Fathoms Down: Canadian Stories of the Great Lakes*. Mark currently lives in the National Capital Region.
