Chuck Thorndike : Cartooning, Caricature and Animation Made Easy (Dover Art Instruction) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cartooning, Caricature and Animation Made Easy (Dover Art Instruction):

0 of 0 people found the following review helpful. Five StarsBy ArcheeVery good book on Cartooning. Was given as a gift to a friend. Thank you0 of 0 people found the following review helpful. Five StarsBy Applegood book0 of 0 people found the following review helpful. I like the retro lookBy CustomerDated, but I expected that. I like the retro look, and I'm a caricature fan.

Written by an experienced teacher of cartooning, this volume combines The Secrets of Cartooning, the author's first and more elementary book, and The Art of Cartooning, his follow-up, in which he answered questions raised by

readers of his earlier book. Each volume in this double edition is complete in itself as a series of lessons. The first part focuses on such basics as drawing the head, hands, and clothing; creating expressions; conveying motion; and obtaining shading effects. The second section presents a series of lessons in anatomy, followed by advice about drawing caricatures and detailed instructions for creating images for animated features and political cartoons.
