Finally a more detailed comparison review - Celestial Art and Fantasy World of Josephine WallBy ReginaShopaholicI have both Celestial Art and the Fantasy World of Josephine Wall, who is my very favorite artist. I believe the hardcover version is worth the extra money as the photos can go right to the edge and might become damaged in a soft cover copy. If you love her work, I would also recommend you buy both. There are just a couple of pics that are in both books, but not many. I love almost every piece in both. If you can only get one, than I think I would personally choose the Fantasy World one as it has the most complete collection of what I consider to be some of her most famous pieces. The Celestial one also has just a bit more reading content throughout than the Fantasy one.5 of 5 people found the following review helpful. A great gift for Fantasy And Surreal Art fansBy SueThis book is part biography, part coffee table art book, and was fun to look at. The paper and paintings are high quality, and the interesting analysis of some of Wall's paintings really make you sit down and think.

Enter the fantastical and enchanting world created by artist Josephine Wall, populated by fairies, wizards, goddesses,

angels and nature spirits. Enjoy and discover some of her most beautiful artworks, alongside engaging text that discusses the life and work of Josephine as well as taking a wider look at the art and artists that have influenced her. Then read on further as we delve into the mythic influences and folklore that lie at the heart of Josephine's art, from Mother Earth and the Green Man to Northern European, Native American, African and Aboriginal legends. The book explores the motivations and wonders of art that reaches deep into the imagination to create magical and otherworldly realms.

About the Author Josephine Wall's fantasy art adorns the walls of the famous and the everyday. Her inspiring visions of other worlds are influenced by Arthur Rackham, Magritte, Dali, and the pre-Raphaelites. She received the prestigious ArtV Awards in Las Vegas in 2014. Joseph Simas is a widely-published writer of poetry, fiction, screenplays, translations, journals and essays, mostly on art and artists. Born and raised in California, he became a self-proclaimed nomad and eternal student who has worked on all aspects of writing while traveling, working and living throughout Europe.
