Eric Sherman : Directing the Film: Film Directors on Their Art before purchasing it in order to gage whether or not it would be worth my time, and all praised Directing the Film: Film Directors on Their Art:

0 of 0 people found the following review helpful. A good read for those on a filmmaking journeyBy A. SmithI find it useful as a kind of daily affirmation during the creative process. When things go nuts it's nice to hear that the great and the good have fought, won, and occasionally lost their battles to bring their creations to the screen.0 of 0 people found the following review helpful. Really good insights!By Mario A. Laborem G.From many interviews to very known

film's directors, you can read about all the implicate to be a good filmmaker. Its a great book for students and professionals.0 of 0 people found the following review helpful. Directing the filmBy Michael WilliamsA very good read had lots of real world information,I enjoyed this book.it was very helpful for me as a beginner.
