As an artist I knew most of the techniques in the book, but we can always learn something new, right?I have been out of the artistic mode for a while and this book was like sitting in my college courses again. The attention to detail, showing techniques, tools and materials to use were exceptional. A great refresher course.Granted it is not a full course meal -- it would have to be 1000 pages long but it is a great book for anyone, middle or advanced to improve their technique.And the cover is superb! instructional book but I wish I would have noticed it was a Kindle purchase. My fault for not seeing what was right in front of me. The illustrations are beautiful it's easy to follow the directions. My problem is that when I'm drawing or painting I like to have the actual book propped up in front of me. With the Kindle format that's not easy to do. It's so much smaller not easy to see the detail of the drawings instructions. I still recommend it. 2 of 2 people found the following review helpful. Five Stars By Margaret S. Mitchell GREAT ARTIST WITH WONDERFUL IDEAS AND INSTRUCTION

Whether they prefer the company of dogs, cats, or both, aspiring artists will learn how to create faithful depictions of all their furry friends with this essential drawing book. Inside, gifted artist Nolon Stacey provides fundamental techniques and complete instructions for drawing several different breeds of cats, kittens, dogs, and puppies. He also demonstrates how to portray specific canine and feline features—such as perky ears, wayward whiskers, and playful paws. Readers also will learn how to achieve accurate proportions and capture the priceless expressions that make dogs and cats so utterly irresistible! Packed with helpful tips and extraordinarily realistic drawings, this book is a “must-have” for every pet-loving artist.

About the Author Nolon Stacey is a self-taught graphic artist who specializes in realistic portraits of animals, people, and landmarks. As a child in South Yorkshire, England, Nolon cultivated his interest in drawing throughout school. He eventually earned a degree in mathematics from Warwick University, but he soon returned to his artistic passion. He currently lives in Boroughbridge, England, and undertakes a variety of commissioned work, ranging from portraits of people and pets to buildings and street scenes. Prints of Nolon's celebrity portraits are published through Kadinsky Art. His work also is sold through Braithwaites Gallery in York, England. Stacey lives in Boroughbridge, England.
