1 of 1 people found the following review helpful. LovelyBy Nancy LindquistThis book is filled with strong instructions, beautiful photographs and projects that I am able to do. There is something for everyone. I've tweaked many of the projects I want to make and that's what I do. However, there is very little that needs to be done and I find the fit to be exceptional in the garment I've made. While not all on trend, many of the designs easily are timeless and deserve the work placed into them and the yarns to make them heirloom.While I have elected not to use many of the fibers suggested, I am planning to use fibers with similar structure and drape. I will update this review as I make garments and work on shaping.I am a reasonably new continental knitter. I do wish there were more schematics, but that is just starting in knitting, unlike crochet and will take a while. I do have software that will convert many of the harder bits into schematics, if I post the pattern in the program. It's not fun, but I always do better with a map, rather than a sea of words. The book spans all seasons, so you can always find an excuse to knit. Everything is well explained and well charted. If you want to start a pattern, just

check if there are any errors and knit away. I love all the designs in this book. It's a winner for me, and I'm an intermediate knitter. There are lots of beautiful photos and ideas in this book, along with a helpful section about different stitches. Worth every penny. 0 of 0 people found the following review helpful. beautiful patterns. I can't wait to start knitting
By Christie beautiful patterns. I can't wait to start knitting!

With a growing reputation for gorgeous patterns, the owner of Dolce Handknits presents 16 of her top-selling designs. Stylish and contemporary, these patterns range from weekend casual to office chic. Find something luscious for every season and skill level, including tanks, pullovers, and cardigans. Enjoy a skillful combination of fashion and wearability; you'll reach for these garments again and again. Experience the joys of knitting--the patterns feature soothing, meditative repetition with just enough challenge to keep things interesting

A new book, *Dolce Handknits: Simple, Sophisticated Designs* by Kim Dolce is hot off the press. Her beautiful, uncomplicated and always flattering designs have been popular for years in knit shops. The book is arranged in order from winter through spring and summer into fall, with charming and fun-to-knit pieces for each season. Exceptional photography makes the patterns even more appealing with shots of garment details, so you aren't left guessing what something looks like. --Creative Knitting Newsletter Vol. 7, No. 17
