Sian Meades : Domestic Sluttery: Cheat your way to the good life before purchasing it in order to gage whether or not it would be worth my time, and all praised Domestic Sluttery: Cheat your way to the good life:

4 of 4 people found the following review helpful. Gorgeous book, useful content. By WithBowsOnTop I'm going to start by saying how gorgeous this book is inside and out. Nearly every page showcases vintage-looking prints (gorgeous floral wallpaper, fun polka dot designs, etc). Just flipping through the book is a lot of fun. Now on to the actual content. The book is divided into 4 sections - Home Sweet Home, Food and Drink, Style, and Living. Home Sweet Home section contains tips on decorating your home, growing a garden and offers advice on housework. Food and Drink section has some great recipes that I cannot wait to try. While I was flipping through the recipes, I noticed that many of them don't ask for hard to find ingredients, which is a huge plus for me. Style section offers key tips on what to know about vintage and goes through different eras (a page or two on each - Edwardian, 1920s, 1930s, etc.). Living section offers advice on how to bargain when shopping at flea markets, how to host a party, how to pack for a vacation, etc. Overall, this book offers a great deal of advice that personally I found useful. And it doesn't hurt that this book looks gorgeous displayed at home. 0 of 0 people found the following review helpful. Four Stars By Granny Alias Very interesting book. Not as many recipes as on {allegedly closed down website} but amusing.

Many women would love to have the domestic goddess thing nailed, to waft around vintage fairs and antique markets for collectable items to furnish their houses with, and to be able to spend all day preparing the ultimate dinner party. But quite frankly women are too busy working, going out and having fun to make their lives just so. But that doesn't

mean that their homes aren't important; their homes are as precious as their time The Domestic Sluttery website was created to show women that it is possible to have a gorgeous home while unapologetically cutting a few corners. The book is a logical expansion from the blog, full of lifestyle tips and with a more in-depth look at home interiors (Hiding the Evidence, Design Porn etc.); food and drink (e.g., Veggie not Virtuous, Baking for Beginners); style and beauty (Fashion Lust, Crafty Clothes etc.); and living (e.g., Fabulous and Thrifty, Sluttery Travels). The word 'sluttery' is used deliberately. It goes back to the traditional use of the word 'slut' being slovenly, a little messy which can be a very good thing; it's freeing. This isn't a lifestyle guide for Stepford Wives. those kind of aspirations aren't realistic any more. Instead, Domestic Sluttery offers an aspiration to live life to the full but with permission to make mistakes, to accept that you're not perfect. Instead of compromising on fun, Sian Meades and her domestic sluts will teach you the quick and easy ways to do domestication on the hop. And will reveal how to make a damn good cocktail!

About the Author Sian Meades is a web editor and writer. She is the founder and editor of the interiors and lifestyle website domesticluttery.com, and the new fashion blog [A Change of A Dress](http://AChangeofADress.com).
