Donna Dewberry : Donna Dewberry's Essential One-Stroke Painting Reference before purchasing it in order to gauge whether or not it would be worth my time, and all praised Donna Dewberry's Essential One-Stroke Painting Reference:

6 of 6 people found the following review helpful. The perfect introduction for this techniqueBy Maria Fernanda Villegas HermidaI bought it as a present for my mother, and she was delighted. Although she has been painting for several years she had never tried one-stroke before, and this book is the perfect introduction to this technique. It explains all the basic stuff, how to use the brushes, mix the colours, etc. However, I should also say that, if you are an absolute beginner and you have never painted before you will probably find this book a bit "advanced". My advice: If you have already painted before and you want to start one-stroke, this is the book for you. If you have never painted, try another book. Perhaps one of Donna Dewberry's beginners guide will be the best option for you.4 of 4 people found the following review helpful. I was happy with the book but another reviewer mentioned that Donna ...By karen

F WaldochI was happy with the book but another reviewer mentioned that Donna needs to have an entirely new book on One-Stroke techniques that are not in any of her other paint books. I was looking for different ideas for paint projects and maybe more detailed instructions. I enjoyed the book and used a couple things from it but I was hoping for more. I have been doing One-Stroke for a number of years and this book is definitely not for beginners. 1 of 1 people found the following review helpful. Awesome book!By LibbyThis book is absolutely awesome! It show all the stokes needed to do one-stroke painting and proceeds to show you how to paint several things! I do wish some of the stokes shown were on the same page as the flower that she is demonstrating that way I don't have to flip back and forth, but that is a minor inconvenience when you see what this book offers. Another great book by Donna Dewberry!

The ultimate guide to one-stroke paintingBecome a one-stroke wonder with this all-in-one reference! Here, beloved decorative painter and PBS television instructor Donna Dewberry takes you step-by-step through more than 60 demonstrations using her popular One-Stroke techniques.From flowers, trees and berries to birds, fruit and more, the at-a-glance format makes it quick and easy to find the subject you want. Simply grab a brush and follow along as Donna guides you through mixing colors, loading brushes and making strokes. Each demonstration features big, beautiful color photos, color swatches, brush selection and complete instructions that will have you painting like a pro right away. Donna even helps you put it all together with 10 gorgeous designs that show you how to create great compositions every time.This really is the perfect reference for every decorative painter. Start at the beginning to learn the basics, or flip through to quickly find what you need. Either way, Donna Dewberry's Essential One-Stroke Painting Reference is the book you'll turn to again and again for inspiration, instruction and instant creative success!
