Gustave Doreacute; ; : **Doreacute;'s Illustrations for Don Quixote (Dover Fine Art, History of Art)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Doreacute;'s Illustrations for Don Quixote (Dover Fine Art, History of Art):

1 of 1 people found the following review helpful. He is also a fan of Don Quixote so this gift was perfect for himBy Artsy1515Bought this as a gift for my Dad who works at a museum and the museum recently had a collection of Master Print makers on exhibit. He is also a fan of Don Quixote so this gift was perfect for him. He loved it!0 of 0 people found the following review helpful. Beautiful picturesBy stephanie turnipseedThe illustrations are even more beautiful than I thought they would be. The book is good quality too. I bought it fur a friend who loves Don Quixote. The pictures are labeled with what scene they depict and seem to go in chronological order.0 of 0 people found the

following review helpful. Wonderful BookBy alaraeWonderful companion to our Don Quixote books.

"His Don Quixote hellip; from its first to its last page [is] a marvel of imagination, poetry, sentiment, and sarcasm. . . . People still speak of it only as 'Doreacute;'s Don Quixote'." mdash; Life and Reminiscences of Gustave Doreacute; Doreacute; himself had something of Quixote's chivalry and spent an arduous life drafting impossible dreams; he knew fame as well as pain, disillusionment, and failure. At age 30 he was ready for Quixote and prepared to realize his dream of illustrating the world's great books.Doreacute; never became the painter he yearned to be, but he came very close to realizing his desired intimacy with the classics. His sympathy with Cervantes' satire was so close that, of the numerous Quixote interpretations by many outstanding artists, Doreacute;'s has become the standard. The French translation of Cervantes that Doreacute; illustrated is forgotten; here is the memorable remnant of that work mdash; all 120 full-page plates, plus a selection of 70 characteristic headpiece and tailpiece vignettes.As can be seen in the backgrounds, Doreacute; was ready professionally as well as emotionally for Quixote. He had traveled through Spain preparing an earlier work, and his graphic memory was as strong and indelible as that of another great Quixote interpreter, Picasso. From Sancho's village through Spanish hills and dry plateaus, in the Pyrenees and by the sea, in rural castles and Barcelona luxury, Doreacute; illuminated the seventeenth-century setting with a nineteenth-century acquaintance with the scene. Doreacute; was also a careful student of Renaissance costume and architecture; his minutiae, so copious, are invariably correct.Captions written especially for this edition describe the action with reference to the original Spanish text, capturing high points of the story. But of course Doreacute; conveys it all in a picture: the famous windmill charge, traversing the Sierra Morena, battling the Knight of the White Moon, visions of giants, dragons, flaming lakes, and damsels, the Dulcinea never found, all in full-page wood engravings. Doreacute;'s marvelous penchant for ghostly effects in panoramic landscapes and seascapes finds large scope here, carefully engraved by one of the best of his longtime studio engravers, H. Pisano.Doreacute;'s Man of la Mancha glows with the artist's own enchantment and humor. Artists and illustration aficionados will add this royalty-free volume to other Dover editions of Doreacute;'s works mdash; art he created to stand with great literature that now stands alone. Doreacute;'s Quixote indeed stands alone, unique among the knights and graphic castles in Spain.
