before purchasing it in order to gage whether or not it would be worth my time, and all praised Doreacute;'s Spain: All 236 Illustrations from Spain (Dover Fine Art, History of Art):

One of the most popular (and most prolific) illustrators of all time, Gustave Doreacute; (1832ndash;1883) established his reputation with works of art that exuded a romantic style, an abundance of detail, and a dramatic use of light and shade. This collection of drawings, created during Dore's trip to Spain with a friend in the 1870s, includes a haunting view of Barcelona's prison of the Inquisition, dynamic portraits of working-class men and the huddled poor, soaring interiors and exteriors of cathedrals, bullfighting arenas, fiery Spanish dancers, and other scenes evocatively

conveying mood and setting.
