**J "NeonDragon" Peffer : DragonArt Basics for Beginners** before purchasing it in order to gage whether or not it would be worth my time, and all praised DragonArt Basics for Beginners:

0 of 0 people found the following review helpful. This was a great book for learning the basics of dragon drawingBy A clever oneThis was a great book for learning the basics of dragon drawing. The steps are well laid out and explained and the little dragon narrator is adorable. This artist/author really knows both how to make wonderful easy to follow instructions and how to draw. It makes learning a great deal of fun for all ages.

Dragons are terrifying creatures, and do not like to be drawn by just anyone! If yoursquo;re brave enough to take on the task, yoursquo;ll appreciate the lessons in this book for guiding you on your treacherous journey! By the end,

yoursquo;ll have created some great scaly friends.
