like it very much. It is quick to grasp the skills by following the steps.

Draw 50 Buildings and Other Structures teaches aspiring artists how to draw with ease by following simple, step-by-step instructions. Celebrated author Lee J. Ames shows readers how to draw famous structures from all over the world, as well as an igloo, a barn and silo, a windmill, and even a teepee. Ames's illustration style and renowned drawing method has made him a leader in the step-by-step drawing manual, and the 31 books in his Draw 50 series have sold more than three million copies. Ames's instruction allows seasoned artists to refine their technique and guides amateurs to develop their own artistic abilities. Even the youngest artists can draw the tallest, grandest structures. It's easy to construct any type of building when it's done the Draw 50 way.
