About the AuthorLEE J. AMES began his career at Walt Disney Studios and taught at the School of Visual Arts in New York City and at Dowling College on Long Island, New York. He directed his own advertising agency and illustrated over 150 books, ranging from preschool picture books to postgraduate texts. A prolific author of more than 30 Draw 50 books, Lee Ames died at the age of 90 in June 2011.Excerpt. copy; Reprinted by permission. All rights reserved.Perhaps by now you have come across one of my "Draw 50" books, or perhaps this is the first one you've ever picked up. Either way, I hope to show you in this book how to draw a wide variety of fascinating sea creatures. I have a great love and respect for the other creatures of this earth and for that reason, I've chosen to go underwater and give you a sampling of the wonderful life-forms that live there.
