Jeanne Filler Scott : Draw and Paint 50 Animals: Dogs, Cats, Birds, Horses and More before purchasing it in order to gage whether or not it would be worth my time, and all praised Draw and Paint 50 Animals: Dogs, Cats, Birds, Horses and More:

10 of 10 people found the following review helpful. This is a great book to start painting animalsBy joevThis is a great book to start painting animals. A lot of pages with different animals. I started with the rabbit. I don't draw that good. instead I scanned the small drawing picture and blew it up and printed it and trace it to fit my canvas. Some are pretty easy to paint, some a little harder. I prefer to use oil paint, and acrylic for background. This book is a must have for beginner and experienced artist. The only negative thing in the book is they are only three pictures of painted cats, wished they had a lot more. A lot of books don't go into to much details just the basics. Note: to be a good artist its

belter to paint what you see by using your own technique and colors and using the book as a reference. I find out I paint better this way. 2 of 2 people found the following review helpful. Good for beginning and intermediate artists By Kindle Customer I appreciate the thoughtful text. It's clear and concise. Jeanne Scott lays out step by step how to bring a drawing to a full finished painting. Following her instructions helps build confidence and still allows room for innovation. 0 of 0 people found the following review helpful. Beautiful book in excellent condition By 3p2 Beautiful book in excellent condition. I bought this in hopes it might help me to realistically paint my wildlife woodcarvings. Very good instructions. Easy to understand and follow.

Turn your love of animals into art you adore! From her family farm in Kentucky, artist Jeanne Filler Scott spends her days joyfully surrounded by pets, barnyard animals and wildlife. In this book, she shares her love of animals and her easy techniques for capturing their beauty and charm in acrylics, oils and pencil. 50 paint-along projects--complete with reference photos, color lists and illustrated step-by-step directions. Simple methods for realistic results. A wide range of subjects ranging from pets and farm animals to wildlife and exotics. Tips for achieving convincing fur textures, lifelike expressions and a variety of natural settings. A tremendous value for artists of every age and skill level, this big collection features the best instruction on a menagerie of subjects for your creative enjoyment--from loveable dogs, proud felines and cute bunnies to magnificent stallions and regal peacocks. With the help of this book, you can turn inspiration from your favorite animals into rewarding artwork.

"A big thumbs-up for this one." --Art Book
