Lee Hammond : Draw Fashion Models! (Discover Drawing) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Draw Fashion Models! (Discover Drawing):

0 of 0 people found the following review helpful. Excellent!By CustomerExcellent!0 of 0 people found the following review helpful. Lee HammondBy marky01This book, and all of Lee's books on drawing contains advice for the budding as well as the seasoned artist. You can tell that she was a teacher and still is. If you have any interest in drawing this, as well as her other books is a must have. I have learned so much from her advice.1 of 1 people found the following review helpful. Surprisingly goodBy AlaskaguyWhile mostly focused on drawing beautiful young women and a few young men, this is one of the better books I've seen on realistically drawing people (face, hair, hands), clothing, different types of fabrics, and accessories. Excellent explanations of different types of folds and draping in clothing. Another good reference for simple and expressive drawing of clothed figures of all shapes and sizes is Bradley's Drawing People: How to Portray the Clothed Figure

In this step-by-step guide, Lee Hammond reveals secrets that will help you turn your drawings into professional-looking fashion illustrations. You'll start with the basics - like how to draw the human figure as a combination of simple, interlocking shapes and how to use shading to give your work a realistic, three-dimensional quality. Next, you'll learn how to make the fashions look real - with convincing folds, drapes, patterns and textures. Exercises and easy-to-follow demonstrations show you how to give your models expressive features, fashionable hair styles and just-the-right accessories. You'll learn how to add impact with cropping and creative backgrounds as you combine pose, expression and lighting to strike a mood and create attitude. If you have a feel for fashion and a creative flair, try your hand at fashion illustrations. This book makes it easy!

About the Author A professional artist and instructor for 20+ years, Lee Hammond has authored and produced 40+ North Light and ArtistsNetwork.TV products. She has owned and operated the Midwest School of Art in Lenexa, Kansas for six years and now has a studio in Overland Park, Kansas where she teaches.
