**Lee Hammond : Draw Horses (Discover Drawing)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Draw Horses (Discover Drawing):

0 of 0 people found the following review helpful. Great for beginners!By LeighGreat book with basics on drawing horses. I thought I would do a refresher course for myself before teaching my son about the dimensions of a horse. This book does a great job breaking down the parts and the illustrations are well done.0 of 0 people found the following review helpful. Excellent!By life without musicAs described! Excellent!0 of 0 people found the following review helpful. Great starter book!By purple painterThe book is a great starter book on how to draw horses and she shows you how to draw horses by showing the different areas of the horse to draw such as the eyes, nose, ears, and hooves. I highly recommend Lee Hammond books.

Draw HorsesThere's nothing quite so captivating as the elegant lines, powerful muscles and graceful movements of a horse. For centuries, artists have celebrated these exquisite creatures in their work - now you can too! Lee Hammond

shows you how with her special step-by-step method for breaking down each subject into easily drawn shapes that fit together like pieces of a puzzle. She'll teach you the basics of horse anatomy along with the finer details, including facial features, hair, legs and hooves. You'll learn blending and shading techniques to capture a horse's form and dimension, then give each animal personality, conveying emotion and spirit with startling realism. Learn to draw horses of any age, in any stance. Master the techniques needed to render a horse in motion, and capture the speed, power and grace of an animal on the move. Hammond makes it easy, illustrating each lesson with start-to-finish exercises and invaluable advice. So what are you waiting for? It's time to grab your pencil, saddle up and begin your new artistic journey.

**About the Author** Lee Hammond is the author of six Discover Drawing titles, two Drawing in Color titles, How to Draw Lifelike Portraits from Photographs and How to Draw Portraits in Colored Pencil from Photographs. She lives in Overland Park, Kansas.
