Clare Turlay Newberry : Drawing a Cat before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing a Cat:

0 of 0 people found the following review helpful. Although I was surprised at it's small size but found it is easy to see the illustrationsBy twylaI had been looking for this book for a while. Although I was surprised at it's small size but found it is easy to see the illustrations. I like the fact it is not actually step by step instructions as much as it is an account of Clare's process of how she draws cats. I found that interesting it made me realize even the best artists may take a long while to get it just so and to be happy with their finished works.Adorable paintings, thank you Clare Turlay

NewberryGPC, Massachusetts0 of 0 people found the following review helpful. Bring on the nostalgiaBy W. IveyMy favorite book as a child was Newberry's *Kitten's ABC*. I loved the look of the watercolor strokes. Getting a look at the artist's process after all these years is a treat and brings back memories.

This unusual book contains a guide for drawing cats, and would be a lovely addition to the bookshelf of any artist. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
