**Alison Wilson : Drawing and Painting Horses** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing and Painting Horses:

0 of 0 people found the following review helpful. Five StarsBy Joanna ThomasExcellent addition to my stash of art books.

Horses may seem to be a challenging subject for an artist, but this book makes equestrian drawing and painting accessible. It explains the fundamental principles of drawing before guiding the reader through the advanced methods of painting a horse. With beautiful illustrations throughout in graphite pencil and oils, this book informs and helps every artist who wants to improve or develop their equestrian work. Topics covered include: an introduction to traditional subjects; drawing materials and methods; working from life; horse anatomy, structure and gaits; exercises in drawing and painting; selecting subjects and using preliminary drawings and sketches. An authoritative and beautiful guide to drawing and painting horses, aimed at all artists particularly equestrian and beautifully illustrated with 224 graphite and oil illustrations.

About the Author Alison Wilson is an artist and illustrator.
