Barrington Barber : Drawing Class before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing Class:

2 of 2 people found the following review helpful. Great drawing bookBy Christine SalekI had a book by this author and worked my way through it. That book was good-but this one is better. It takes you through some great lessons and you really get so much better as you practice. I am 1/3 of the way into the lessons and have been happy with my progress.0 of 0 people found the following review helpful. So SoBy CBTNot as good as I hoped but ok0 of 0 people found the following review helpful. Five StarsBy HENDRIKUSgood book

Barrington Barber draws on his artistic expertise and long experience of teaching to create a structured, user-friendly drawing course to guide the aspiring draughtsman through the whole process of learning to draw.

About the AuthorBarrington Barber is a renowned author in the field of teaching drawing skills and a practicing artist. He enjoys a successful career as a commercial illustrator and fine artist and has written and illustrated a wide range of

best-selling instructive art books.
