Highly recommended very niceBy Tara gilThis book is really great because it shows all the things you need to know to draw a realistic face it came just on time and in perfect condition I highly recommend this book if you're not that good at drawing like me it will help you become a better artist4 of 4 people found the following review helpful. I have enjoyed this book immenselyBy Arleen ValentineI have enjoyed this book immensely. I recently began painting. One of the areas I need to learn and practice is drawing realistic human faces. The author's diagrams and words are easy to understand. I've been a doodler all my life but could only draw faces that look like cartoons. With the help of this book, I've been able to draw realistic pictures. Thank you Debra Kaufman Yaun. I'm very grateful.0 of 0 people found the following review helpful. this is a beautiful over sized book with many facial sketches thru out ...By rtatumWhen ordering books online it is a bit of a gamble. but sometimes

it pays off unexpectedly. This is a beautiful oversized book with many facial sketches throughout various stages to learn from. The oversized pictures make it easier to see the techniques. I am very very happy.

Successfully drawing the human face is one of the most challenging yet rewarding artistic experiences. In this step-by-step book, Debra Kauffman Yaun invites you into her artistic world as she shows you how to draw a variety of portraits in pencil. She shares her personal methods for rendering the human face in all its expressiveness as she introduces tips and techniques for approaching babies, children, teenagers, and adults of all ages. The book includes in-depth information on specific facial features as well as detailed, step-by-step exercises that explore ways to develop complete portraits. And the wealth of beautiful, inspiring examples ensure that *Faces Features* will be a welcome addition to any artist's drawing reference library.
