**Walter Foster : Drawing: Faces: Vol 1 (How to Draw Paint)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing: Faces: Vol 1 (How to Draw Paint):

0 of 0 people found the following review helpful. Use as a reference when my family paints and draws ...By SuzieKUse as a reference when my family paints and draws with me. Also gave one to my friends grand daughter who is working on portraits.1 of 1 people found the following review helpful. ehBy katie marelichI was kind of expecting it to go more into detail... it was mostly full of examples that wernt fully explained but of well. It came on time so im happy with that..9 of 9 people found the following review helpful. Excellent source for learning to draw faces...By Brigham MorganThis is an excellent source for begginers who want to learn to draw the face. It helps you practice each individual component as well as how they interact with each other. It is detailed and clear but not so step by step that you become dependant on it. A great resource!

Few artistic subjects are as challenging as the human face and few are as satisfying to approach successfully! In *Faces*, acclaimed artist Walter T. Foster teaches you the basics of drawing facial features and beyond! Inside, you'll find the correct head and facial proportions for both adults and children; then you'll discover how to render a variety of faces step by step, with tips on how to adapt your drawings for varied poses and facial expressions. Easy-to-follow demonstrations and helpful techniques for drawing eyes, noses, lips, and ears make this book a necessary addition to every artist's library of drawing references!
