Mark Willenbrink : Drawing for the Absolute Beginner, Composition before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing for the Absolute Beginner, Composition:

1 of 1 people found the following review helpful. Good for a real beginner...By JoanieI found it a little too basic for me but for someone just starting, it would definitely give a lot of good basic information.

This e-book contains nine detailed step-by-step demonstrations on composition, texture, perspective and storytelling and includes a glossary of common art terms. It is based on Drawing for the Absolute Beginner (North Light 2006) by

Mark and Mary Willenbrink.
