Kythera of Anevern : Drawing Made Easy: Dragons Fantasy: Unleash your creative beast as you conjure up dragons, fairies, ogres, and other fantastic creatures before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing Made Easy: Dragons Fantasy: Unleash your creative beast as you conjure up dragons, fairies, ogres, and other fantastic creatures:

2 of 2 people found the following review helpful. It's a good book but maybe for 12 and upBy alongoWas a birthday gift for a talented 8 yr old artist friend. It's a good book but maybe for 12 and up.0 of 0 people found the following review helpful. Very good bookBy Thomas L. SandlinVery good book kind of on the small side but a very good

instructional book all in all! 1 of 1 people found the following review helpful. great book By Raven L Sampagathis would have a 5 star rating but when I open up the book there was a ripped page, not to bad, I could still read it. great instructions, wonderful pictures. despite the ripped page I would recommend this book.

Drawing fire-breathing beasts and mysterious, magical creatures has never been so much fun or so easy! In this 64-page how-to-draw book, fantasy artist Kythera of Anevern demonstrates how to draw dragons, fairies, ogres, merfolk, and everything in between! Readers will discover in-depth tips and techniques for drawing textures such as fur, hair, scales, and teeth, as well as features like tails, wings, talons, hooves, and horns. With a wealth of fanciful drawings and in-depth instruction on re-creating extraordinary creatures in graphite, this book is ideal for anyone who is fascinated by the fantastic.

About the Author Having drawn since she could hold a crayon, Kythera of Anevern is a self-taught artist who revels in the strange and unusual. Dragons and other fantastic creatures are staples of her work, and her hobbies include role-playing, "macho knitting" making chainmail, and dressing up as a pirate or Viking at local Renaissance Faires. She takes private commissions as her schedule allows, having designed a handful of logos for small businesses and contributed illustrations for various role-playing game books. She also displays her work at fantasy and animation conventions, including the annual Gathering of the Gargoyles, where she has won many awards. She received her BFA in Intermedia from Arizona State University and currently lives in Los Angeles with a host of dragon and gargoyle statues--and one very needy cat.
