It is easy reading and conveniently small enough to carry in my purse so study wherever I may have a few minutes.0 of 0 people found the following review helpful. great bookBy Kaileyi bought this for my friend

for her birthday and she loved it. great quality. the smooth pages are great and its a very thorough book.0 of 1 people found the following review helpful. I don't know how to draw...By JoyThis will be invaluable for my art reference material. I've gone out and purchased a couple of concepts mentioned in this book.I think it will be one of my TOP ten... of course, that will be up to how I learn and with this as easy instructional material, I think I'll be ok.It is a guide to make my work better... all around

With step-by-step projects that are designed to help sharpen artists' skills and heighten their confidence, this book demonstrates simple techniques for rendering the textures of everyday objects, such as metal, wood, plastic, hair, fur, feathers, and more. This 64-page book simplifies the process with easy-to-understand instructions and comprehensive illustrations.
