Go MangaBy FirestarI have almost a dozen Walter Foster books from his series but this is no doubt my favourite, i recommend them highly!2 of 2 people found the following review helpful. Drawing Manga!By SalvatoreThis is not a great book for beginners. It doesn't take you step-by-step and is hard to follow. This is probably a great book for someone who knows what they're doing.

With this 32-page, step-by-step instruction book, aspiring artists will discover the secrets to creating cutting-edge

manga art. From an exploration of shading and coloring techniques to tips on figure drawing and character development, readers will learn everything they need to know to become masters of manga. Each featured project serves as both lesson and inspirational guide for preparing artists to craft their own world and characters in an authentic manga style!
