Mark Willenbrink, Mary Willenbrink : Drawing People for the Absolute Beginner: A Clear Easy Guide to Successful Figure Drawing before purchasing it in order to gage whether or not it would be worth my time, and all praised Drawing People for the Absolute Beginner: A Clear Easy Guide to Successful Figure Drawing:

1 of 1 people found the following review helpful. Awesome instruction.By SlurmAwesome instruction... When

learning to draw you must remember that the human brain works off of shapes, and this book describes in detail how to train yourself to draw in pieces rather than in picture. 9 of 9 people found the following review helpful. Make this your first purchase when learning figure drawing  
By K. L. Hanson  
All of the "Absolute Beginner" books are excellent and this one is no exception. It has some excellent visual examples that are helping me tremendously. Figure drawing is hard, no doubt about it, but I encourage you to keep your practice drawings and sketches and go back through them after a couple of weeks. Even though I didn't "feel" that I was improving, when I looked back through my practice stuff, I was really amazed at my progress. No matter what medium you're working in, find the "Absolute Beginner" book (they're all on ) and it'll save you some money by not necessitating the purchase of a lot of additional books. 2 of 3 people found the following review helpful. For a book, good  
By JOJOAs good as any book can be versus studio live drawing

Yes, you can! Known for their friendly, focused, you-can-do-it approach to teaching art, Mark and Mary Willenbrink show beginning artists how to draw people in a realistic style. Inside you'll find everything you need to succeed, from how to select and hold your pencils to expert instruction on drawing hands, clothing and figures in motion. This book steers you clear of common mistakes and brings clarity to even notoriously tricky concepts like perspective and values. While the human subject is wonderfully diverse, this book teaches an easy-to-learn approach that can be used to achieve accurate drawings every time. Thirteen complete figure drawing demonstrations show how. Start with a few lines to establish basic proportions, sketch in placement lines, then gradually develop details. Before you know it, you'll be drawing people of all ages, body types and personalities! This book makes it easy to get started. The quality of your results will encourage you to keep at it, building your skills and your confidence with every stroke. What's Inside: Tricks for ensuring accurate body proportions and feature placement in your drawings. Expert advice on drawing heads, hands, legs, clothes and more. 13 step-by-step demonstrations featuring a diversity of model types, lighting and poses.

About the Author  
Mark and Mary are the best-selling authors of the Absolute Beginner series. They enjoy sharing the fundamentals of art in understandable terms, encouraging others to pursue their creative potential. Mark is also a fine artist and teaches art classes and workshops. Mark and Mary live with their family, border collie and two cats in southwestern Ohio. For more information on their latest books and workshops, visit [www.shadowblaze.com](http://www.shadowblaze.com) and check out Mark's Facebook page.
