Love ItBy Dieand ReedI chose this rating because I think William Powell is an great illustrator and his work is easy to follow along. His illustration was just what I was looking for and the great tips for drawing and painting was more then I really expected. I recommended this book to my grand children, who love to draw and paint.

In this book, artist William F. Powell invites you into his artistic world as he shows you how to re-create an intriguing

array of people in pencil. He explores basic drawing techniques as well as art concepts that apply to drawing people, including proportion, perspective, and composition. He also explains how to render facial features, heads from various angles, and the figure in action, step by step. With this helpful guide, you'll even discover specific tips and tricks for drawing individual body parts, such as eyes, ears, noses, lips, hands, and feet. This comprehensive how-to-draw book is a valuable addition to any artist's drawing library!
