**Timothy Murray : Like a Film: Ideological Fantasy on Screen, Camera and Canvas** before purchasing it in order to gage whether or not it would be worth my time, and all praised Like a Film: Ideological Fantasy on Screen, Camera and Canvas:

In this stimulating collection of theoretical writings on film, photography, and art, Timothy Murray examines relations between artistic practice, sexual and racial politics, theory and cultural studies. Like a Film investigates how the

cinematic apparatus has invaded the theory of culture, suggesting that the many destabilising traumas of our culture remain accessible to us because they are structured so much like film. The book analyses the impact of cinematic perceptions and productions on a wide array of cultural practices: from the Renaissance works of Shakespeare and Caravaggio to modern sexual and political fantasy; and the theoretical work of Lyotard, Torok, Barthes, Ropars-Wuilleumier, Žižek, Silverman and Laplanche. *Like A Film* responds to current multicultural debates over the value of theory and the aim of artistic practice.
