Nick Morley : Linocut for Artists and Designers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Linocut for Artists and Designers:

0 of 0 people found the following review helpful. Press on!By radiotoddI've got the Kindle version and the softcover edition. As a beginner, this is a great guide to linocut printing. Lots of options, great photos of the process and examples of inspirational work. Thanks, Nick!0 of 0 people found the following review helpful. Great printmaking bookBy JamaalThis book is a great overview of relief printing with lino. Well written with nice pictures. Recommend it especially for first time printers.0 of 0 people found the following review helpful. Five StarsBy claudiaEverything ok, thanks!

Linocut is used to stunning effect by artists, illustrators and designers because of its strong graphic qualities, accessibility and versatility. Whether you are printing by hand on your kitchen table or on a press in a print studio, this book gets you started and goes on to explore the myriad creative applications of linocut. It encourages you to experiment with different approaches to image making and explores new ways of thinking about how linocut can be

used. Nick Morley shares his experience and specialist knowledge to make this practical guide an essential companion for everyone interested in this addictive and absorbing medium. Detailed information on which tools to buy, where to find the best materials, and how to set up your working space backed up with clear, step-by-step instructions and over 300 colour illustrations make this an essential guide to the vibrant and exciting art of linocut.

About the Author Nick Morley is a linocut artist whose prints are collected internationally. As well as illustrating for leading publishing houses, he regularly teaches workshops, curates exhibitions, and writes articles and a blog on printmaking. He recently set up Hello Print Studio, a printmaking studio in Margate, England.
