Joe Epstein LDNGraffiti : London Graffiti and Street Art: Unique artwork from London's streets before purchasing it in order to gauge whether or not it would be worth my time, and all praised London Graffiti and Street Art: Unique artwork from London's streets:

Over the decades, London has become a diverse landscape for all forms of graffiti and street art. From the better-known artists, down to the constant stream of fresh new talent attracted to the streets, London is a graffiti artists' paradise and the images represent a London simmering with artistic flair. Featuring glossy photos of ground-breaking graffiti, London Graffiti and Street Art is the perfect companion for anyone excited by this most vibrant and changing of art form, and aims to give an insight into the creative output lost and found in and around the capital.

About the Author Joe Epstein, photographer, designer, and author of LDNGraffiti.co.uk, has been casually observing and painstakingly charting the lifespan of London's most diverse graffiti and street art since 2007. An authoritative voice in the field, Joe has contributed to UK exhibitions, assisted with the television documentary Graffiti Wars, collaborated on a four-part documentary series that was broadcast in South-East Asia, and developed the Banksy London Tour iPhone app.
