Style Is Instinct was a fun, delightful read, full of colorful memories told from, a sort-of, behind-the-scenes glimpse, from a day in a life of a truly talented lady!Stylist Perspective Told with0 of 0 people found the following review helpful. Great collection of fashion photographyBy Casey ProutGreat collection of fashion photography. Really interesting way to see what a stylist adds to a photoshoot and how that imprints on the final product. Nice large images and well printed.0 of 0 people found the following review helpful. Nice giftBy LGGorgeous book and a nice gift to a fashionista for her office or coffee table.

A stunning anthology of the work of visionary stylist Lori Goldstein, whose interpretations of fashion and beauty have produced some of the most groundbreaking and iconic images in fashion and popular culture.Lori Goldstein: Style Is Instinct publishes for the first time in book form the work of one of the world's most highly regarded stylists. With a foreword by Steven Meisel, it features more than eighty astounding images that she created in collaboration with the

world's finest photographers—including Annie Leibovitz, Mario Testino, Bruce Weber, Meisel, and many others—for fashion editorials, renowned advertising campaigns, and award-winning music videos. This striking volume captures Goldstein's personal credo, which has come to define her work—"everything goes with anything"—and displays her signature style, from her unique way of mixing and matching print and color to how she uses clothes to create images that go beyond glamour to the metaphysical, spiritual, and natural worlds. Four distinctive chapters—"The Sickness," "The Divine," "Harmonious Discord," and "Pop"—present these imaginative realms in alluring visual detail, accompanied by numerous personal anecdotes that provide insight into Goldstein's process of styling and her creative power, as well as the worlds of fashion, celebrity, and advertising. They highlight her talent for pushing beyond the edge of convention to create moments of individuality that transcend the norm as well as influence and transform our views on fashion, beauty, and popular culture. The publication of this extraordinary collection is a landmark in fashion and image making.

"Lori Goldstein is one of the world's most visionary stylists." (Donatella Versace)
"The unexpected—that's what you can expect when you're working with Lori Goldstein. Her way of styling inspires and challenges photographers—and everyone around her—to elevate the level of their work." (Mario Testino)
About the Author
Lori Goldstein is one of fashion's most well-respected editors and stylists. A contributing fashion editor for many magazines over the years, including Italian and Japanese Vogue, Allure, Elle, and W, she began her career working with Annie Leibovitz in 1985, first as a contributing editor for Vanity Fair and later on for various advertising campaigns, including American Express and the Gap.
