Maryjo Koch : Love Bugs: A Bug-Eyed View of Romance before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Bugs: A Bug-Eyed View of Romance:

0 of 0 people found the following review helpful. wonderful anniversary gift or anytime book for couples.By Julia ChildThis is a great to give to couples having an anniversary. I love the bright drawings and the simpleness of every thing. Simple words with deep meanings. I'm going to check on other books by this author. I don't think anyone will be disappointed.0 of 0 people found the following review helpful. Pleased!By CustomerVery satisfied!

You don't have to be an entomologist to appreciate the wonderfully realistic watercolor insect images found inside Maryjo Koch's Love Bugs. Offering a bug-eyed view of love and courtship, Love Bugs presents more than 25 images of dancing dragonflies and bouncing beetles paired with romantic prose.Lovebugs, speckled bugs, grasshoppers, dragonflies, butterflies, and more are compellingly captured by the stroke of Koch's paintbrush and presented

alongside humorous and thoughtful entries, such as: * You can't buy love, but presents make a nice first impression.*
Opposites attract because they're complementary. * Being in love is like friendship set to music.
