From Storey Publishing, LLC : Luxury Yarn One-Skein Wondersreg; before purchasing it in order to gage whether or not it would be worth my time, and all praised Luxury Yarn One-Skein Wondersreg;:

3 of 3 people found the following review helpful. Love this book!By AmaliaI have a large collection of knitting books and this one is my favorite. In fact, I own three copies and have given it as a gift to several friends. I've knit more items from this book than from any other of my books. Every project I've made has ended up looking beautiful and classy. Perfect for gifts or for myself. I love the "luxury yarn" aspect. My husband always tells me that if I'm going to spend hours and hours knitting something, I'd better be buying the best yarn or else I'm just wasting my time. Amen! I would love to see "Luxury Yarn One-Skein Wonders BOOK TWO" come out!2 of 2 people found the following review helpful. Nice, but...By L. StoneThis is another nice one-skein book, but the thing that really sinks it for me is the arrangement of the pictures. They're all together in the front of the book, and there is no picture with each individual pattern. So first of all, it's hard to appreciate each project individually, and second, if you want to look at the pattern with the picture, you have to keep flipping back and forth.On the plus side, the table of contents is sorted by weight of yarn, although I would have preferred more conventional weight, like "fingering" rather than "lightweight."You'll probably want this if you like one-skein books, but the sock yarn one-skein book is a billion times better, both in layout and in variety and quality of patterns.5 of 5 people found the following review helpful. totally inappropriate binding for this type of bookBy NMBThis note is not about the content of the book but about binding. Because of poor binding I an returning this book without spending enough time to appreciate the content! Very poor

choice! I specifically wanted a paper cover hoping it will be more flexible and will allow me to use this as a manual. No so...This is a work book, not just a browse through illustration magazine! It needs to be hardy enough to withstand multiple uses.The pages are flying off just after one use.

A little luxury goes a long way! Discover the treasures you can knit from single skeins of the expensive yarns you dream about. More than 100 patterns include elegant wraps and scarves, cuddly baby blankets, evening bags, and dozens of other projects destined to become cherished heirlooms. Indulge yourself with a small sampling of creamy cashmere, lustrous alpaca, seductive silk, exotic soy, or organic linen. The softest fibers make the greatest treasures, even in small doses.

From the Back Cover Sometimes a Little Luxury Is All You Need Discover the small treasures you can knit from single skeins of the high-end yarns you dream about. Creamy Cashmere * Lustrous Alpaca * Seductive Silk * Exotic Soy * Organic Linen * Ecofriendly Bamboo More than 100 patterns designed especially for the world's finest yarns offer gorgeous possibilities for your fiber indulgences.
