Christopher Hart : Magical Characters: Christopher Hart's Draw Manga Now! before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Magical Characters: Christopher Hart's Draw Manga Now!*:

0 of 0 people found the following review helpful. Five Stars
By GhanAmerican2 He is my favorite author for how to draw manga
0 of 0 people found the following review helpful. Helpful
By Customer My daughter found this book helpful since she has started to get into the drawing mood, she is taking an art class in school and she looks back into this book for certain body parts to help her with her drawing or projects. She did say they were a little more advance drawings but she likes it.
1 of 1 people found the following review helpful. Really liked the book
By Jo This book was purchased as a Christmas gift and was a big hit. The book contained the pictures and content that was hoped for, and is an extremely good instructional book. I was very pleased with the condition of the book, and was surprised at how quickly we received it. That was a real plus!!! I would definately use this vendor again!!
Sincerely; J/P T

Magical Characters teaches readers how to draw in the whimsical and imaginative style of manga that has given rise to such fan favorites such as *Sailor Moon* and *Naruto*. Including lessons on fantastical clothing, characters types and their

magical powers, and even magical beasts, this book covers everything readers need to go from manga fans to fantasy manga artists. After an introduction to these elements, readers will have a chance to follow along Hart's in-depth step-by-steps, and will even be invited to draw on their own, right in the book's pages.

About the Author CHRISTOPHER HART is the world's bestselling author of drawing and cartooning books. His books have sold more than 7.4 million copies and have been translated into 20 languages. Renowned for up-to-the-minute content and easy-to-follow steps, all of Hart's books have become staples for a new generation of aspiring artists and professionals, and they have been selected by the American Library Association for special notice. Excerpt. copy; Reprinted by permission. All rights reserved. What makes a Magical Girl? The magical girl is a type of character found in shoujo (Japanese comics aimed at young girls); however, magical girls also appear across many genres and character types. You definitely need to have these in your repertoire. The magical girl starts out as a typical schoolgirl. Her transformation-- via a glamorous costume, and amplified by special powers-- gives her a new identity. She would be the last person in the world to believe that something amazing was about to happen to her.
