The Ultimate Source for How to MangaBy Anna PetlickI used to have quite a few how to draw anime guides when I was younger and Manga Art for Beginners by Danica Davidson is by far the most detailed, comprehensive, and varied how to manga book I've encountered. Very thorough step by step instructions with fantastic graphics that teaches you not only how to draw manga but also how to compose and create unique characters with the skills you learn. Today's best source for teaching yourself manga!0 of 0 people found the following review helpful. Great Intro To Drawing For Comic Books...By PJ RussellInstructive and fun. A good beginning point for those who love to draw, but don't quite know

how. I love her Minecraft books, too!

With titles ranging from Attack on Titan to Pokeacutemon, manga is a billion-dollar industry with millions of fans worldwide. Readers will love this step-by-step guide to drawing characters that resemble the Japanese comics and anime they love.
