5 of 5 people found the following review helpful. New Drawing FunBy Becca SodaReally cool book filled with many supernatural beings to draw in your own freaky way. I really like it because I enjoy drawing and it's great to draw new things every now and then.1 of 1 people found the following review helpful. Its GreatBy James MThis book is great and all plus me and my little sister like to practice drawing monster but turn it into a little comedy but first we are trying to practicing drawing.0 of 0 people found the following review helpful. Five StarsBy Customerwonderful books, lots of drawing tips.

Using step-by-step instruction on how to draw Japanese manga and anime zombies, vampires, and monsters, best-selling author Christopher Hart teaches artists how they can create their own spooky manga characters. With the occult running rampant in today's television, movies, and other media, it's no wonder that the scary, monstrous, and dark characters of manga have become so popular. From drawing monster eyes to goth boys, *Manga for the Beginner* teaches artists how to draw these creepy and mysterious characters that they just can't get enough of. Packed with expert tips on drawing: *Zombies*; *Vampires*; *Werewolves*; *Goths*; *Witches*; *Sorcerers*; And so much more!

**PRAISE for Christopher Hart:** "Hart is an excellent teacher, and the easy-to-follow, kid-friendly instructions of *Young Artists Draw Manga* will inspire, not frustrate, a beginning artist, just as his previous books of the series have done. In fact, Hart's books have sold more than 3.1 million English-language copies; have been translated into 20 languages; and have been selected by the American Library Association for special notice." —*Examiner.com*

Zombies are fun to draw because they're just about the most stubborn characters in all of manga. Arm fallen off? No problem. She'll just keep moving forward. Legs rotted away? A mere speed bump. She'll just drag herself along the ground until she finds a human victim. Zombies always make me wonder if we humans underestimate just how good we must taste.
