From Intellect : Manifesto Now!: Instructions for Performance, Philosophy, Politics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Manifesto Now!: Instructions for Performance, Philosophy, Politics:

Manifesto Now! maps the current rebirth of the manifesto as it appears at the crossroads of philosophy, performance and politics. While the manifesto has been central to histories of modernity and modernism, the editors contend that its contemporary resurgence demands a renewed interrogation of its form, its content and its uses. Featuring contributions from trailblazing artists, scholars and activists currently working in the United States, the United Kingdom and Finland, this volume will be indispensable to scholars across the disciplines. Filled with examples of manifestos and critical thinking about manifestos, it contains a wide variety of critical methodologies that students can analyse,

deconstruct and emulate.
