Katie Oliver : Manolos In Manhattan (Marrying Mr Darcy, Book 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Manolos In Manhattan (Marrying Mr Darcy, Book 3):

0 of 0 people found the following review helpful. Not very good readingBy ShopgirlKatie Oliver can't seem to decide if she wants to write mystery or romance and the result is two entirely different stories that never seem to find a seam. I bought three in a series of these books but I probably won't buy any more of her work.0 of 0 people found the following review helpful. Trite, poorly edited, mindless fluffBy Kindle CustomerThe idea was great but the resulting

publication was trite, mindless fluff. I could forgive that if the editing job was decent. 0 of 0 people found the following review helpful. Four Stars By Tracey D. Hughes Fun and fast read. If you like Kate Oliver, you'll love her newest edition.

She's a fiancée of good fortune; Strutting down Park Avenue in her new Manolos, Holly James looks like a woman who has it all. But beneath the Prada sunglasses, Holly has a mounting list of decidedly unfabulous problems. Right at the top? The fact that since her fiancée, Jamie started spending all his time at his new restaurant (with his impossibly gorgeous sous-chef!), Holly has practically forgotten what he looks like; and started to feel a teensy bit paranoid; but has Holly found the right Mr Darcy? So being kissed by film star Ciaran Duncan should have been a much-needed boost to Holly's ego. But losing herself in the moment is impossible, since she's still fuming after meeting English lawyer Hugh Darcy. He's easily the most arrogant man in Manhattan and she's engaged to be married; so why can't Holly stop imagining kissing him? Suddenly, Holly finds herself torn between three eligible bachelors; and it's proving more difficult than choosing between a Manolo Blanik and a Jimmy Choo; especially since men are non-refundable! What's a New York fashionista to do? Don't miss Manolos in Manhattan, book three in Katie Oliver's Marrying Mr Darcy series.
