Mark Crilley : Mastering Manga, How to Draw Manga Bodies before purchasing it in order to gage whether or not it would be worth my time, and all praised Mastering Manga, How to Draw Manga Bodies:

2 of 2 people found the following review helpful. I love Mark's stuff and am also an avid fan of ...By Bryan S. CoffmanI love Mark's stuff and am also an avid fan of his youtube posts. While a book can't substitute for the direct feedback loop you get with an instructor in a class, if you diligently apply yourself to trying Mark's techniques in this book, your drawing skills will improve. It's a great support for practice. I also use it for inspiration and correction on my own art work. BTW, I'm not a professional artist by any stretch of the imagination. It's just a hobby but even if it's just a hobby I want to improve over time.0 of 0 people found the following review helpful. still learningBy RustyGreat lessons in drawing cartoon bodies that look really great I love to draw but I needed help with people I love drawing

trees and flowers and cars but was not that good at drawing people. But now I am getting better thanks to these great lessons. 1 of 1 people found the following review helpful. To draw all ages Manga style By G. Mercado Chavez This is exactly what I was looking for. I needed some tips on how to draw not only the traditional adolescent manga, but other characters like mothers, fathers, a police, etc. and this book guided me to do it. I love Mark Crilley style, simple and beautiful characters in different positions that helps to draw for some other scenes. I also watched at his videos because he explains in detail how to draw and its easy to follow.

Mastering Manga, How to Draw Manga Bodies is an excerpt from Mastering Manga With Mark Crilley. Get everything you need to know to begin drawing manga figures of all types, from typical teens to parents and babies--with the correct proportions and in all sorts of poses. Mark also shows how variations in height and proportion suit different manga styles, and you'll be delighted by how simple it is to get it just right!
