I always watch his YouTube videos, but then my friend told me about his how to draw manga books. And I just had to get one! I think this how to draw manga book is very informational and he made it very easy to understand. I would suggest this book to anyone who loves to draw anime/manga. And also check out his other books too!

Mastering Manga, How to Draw Manga Faces is an excerpt from Mastering Manga With Mark Crilley. True manga style is about more than big eyed characters, but Mark's lessons ensure that you can get them right, whether the character is facing you straight on, at an angle, or in profile. With lessons on hair styles for boys and girls, and different expressions, you'll get everything you need to know to begin drawing perfectly proportioned manga faces right away.
