Perri Lewis : Material World: The Modern Craft Bible before purchasing it in order to gauge whether or not it would be worth my time, and all praised Material World: The Modern Craft Bible:

Tired of the cliché; often trotted out about craft, Perri Lewis makes it her task to bring the world of making into the 21st century. In Material World, Perri enlists the help of luminaries from the worlds of art, craft, design and fashion to share their knowledge and advice. Among these include Rob Ryan, Emma Bridgewater, Grayson Perry, Philip Treacy, Tatty Devine, Topshop and Tracey Emin. Instead of just giving the reader individual projects, you can learn the techniques for crafts such as paper-cutting, dress-making, printing, encrusting, leather work and tailoring. However, if you prefer more guidance, there are 15 projects to make, including deacute;coupage shoes, a patchwork Louis chair and a printed scarf. With the compiled words of wisdom of these experts, and Perri's own timeless advice,

you'll be up and running with scissors in no time.
