From ?????? : men's file 15 before purchasing it in order to gage whether or not it would be worth my time, and all praised men's file 15:

0 of 0 people found the following review helpful. Men's File is a great bi-yearly men's fashion magazineBy M. DurandMen's File is a great bi-yearly men's fashion magazine. It has a similar style and theme to other Japanese magazines like Clutch, Popeye, etc, but critically unique, this one is in English. I have been purchasing it regularly at my local Japanese supermarket and paying the ridiculous airmail mark ups, so I was pretty happy to see the digital version on at a significantly discounted price. Sure, there are some minor details you miss out on from the print version, but overall I'm very happy with Men's File on Kindle.
