1 of 1 people found the following review helpful. You can't help but smile when you see a dog dress better than you. By Sam PIt covers all the basics and the dog makes it that much more fun. If a dog can pull it off, you can. That's how classic the outfits and styles are. It's also a great piece to leave around and pick up whenever you have a moment. Doesn't require much time commitment, just open and look. 1 of 1 people found the following review helpful. Highly recommend this. By Chief of Staff, ChowChow This is a fantastic book--would make a wonderful gift for any guy. It's not just pictures of Menswear Dog (although those are beyond excellent); it's also a slim guide on certain men's

wardrobe staples and ideas on how to mix them; which shoes, jackets, accessories will go, sort of thing; suggestions on attire for any number of situations/attitudes/events. Menswear Dog illustrates the combos in his inimitable style. I tell you, everyone in my office is getting this for Christmas. Kinda wish they had a Womenswear Dog; but I suspect there's nothing quite as depressing as having a Shiba Inu silently highlight the fact that you may have slid just so slightly into frumpiness over the years. Still, men never worry about those things, but when they're done upgrading their threads, Menswear Dog will remain a classic. 0 of 0 people found the following review helpful. adorable and informative book By pantsforpotato Straightforward, entertaining, adorable and informative book! I bought this as a gift but read through it :) im going to pick up a copy for myself

Bodhi, the Shiba Inu behind the beloved blog Menswear Dog, is here to show you how to dress like a man. Organized seasonally, *The New Classics* highlights the timeless, can't-go-wrong items every man needs in his wardrobe; from a chambray shirt to a perfectly fitted peacoat (all modeled by Bodhi, of course) and shows how to mix and match them all year long. Whatever your style dilemma, dog's got your back! Readers will learn what to wear to a summer wedding, when to splurge (on the perfect white dress shirt) and when to save (snag your military field jacket at a thrift store), the secrets to getting the right fit, the brands that stand the test of time, the basics of clothing care, and more.
