Messages of Effusion is a pick-me-up, you can do it book full of inspiration. In the world of art there seems to be an "Artist Doldrums" where all the wind dissipates from their sails. Like having a GPS in your car, Messages of Effusion provides instant assistance to help you get out of a jam when you are lost. Designed to keep your attitude on a positive

plane, this is a manual of encouragement with useful information sprinkled throughout, answering questions you never thought to ask.
